**PROPEX ANNOUNCES PRICE INCREASE IN ITS  
FURNISHING SOLUTIONS BUSINESS UNIT**

CHATTANOOGA, Tenn. (February 10, 2010) – The Furnishing Solutions Business Unit of Propex Operating Company, LLC has announced a 9% price increase for all products sold into the North American carpet, automotive, turf, furniture and bedding industries, effective February 24, 2010. This upward adjustment is in addition to the 6% increase announced on February 1, 2010.

These increases are primarily driven by the continued, upward trend in key raw materials, notably polypropylene resin. Over the past twelve months, the cost of polypropylene resin has increased 95%.

“As a company, we remain committed to maintaining reasonable margins that allow us to continue investing in product technology, service and manufacturing resources to help meet the needs of our customers,” said Dave Gartshore, Vice President Sales – Furnishing Solutions.
