PROPEX FABRICS COMPLETES ACQUISITION

Austell, GA (January 31, 2006)—Propex Fabrics Inc. (“Propex”) announced today the completion of its acquisition of SI Concrete Systems Corporation and SI Geosolutions Corporation.

Propex is one of the world’s leading producers of polypropylene-based fabrics for primary and secondary carpet backing, geosynthetic applications and a variety of other industrial end uses.

This news release includes forward-looking statements. These include statements regarding Propex’s future performance. Actual results could differ materially from those contemplated by such forward-looking statements as a result of any number of factors and uncertainties, many of which are beyond the control of Propex. Important factors that could cause actual results to differ materially from those in such forward-looking statements are enumerated in Propex’s periodic reports filed with the Securities and Exchange Commission. Undue reliance should not be placed upon any forward-looking statements, and Propex undertakes no obligation to update those statements.
